Dear All,

Happy Monday! I hope everyone has had a lovely couple of weeks. Last week saw our amazing Year 6 complete their SAT exams and I would like to say a huge **WELL DONE** to each and every one of them! They did a fantastic job, even though the reading paper was so hard! Thank you to all the staff who made sure that our children remained calm and focussed throughout. A special thanks to Miss Klotz and the Year 6 staff who have worked so hard with all of the children, this year. Also, thanks to all of the parents /carers who have also supported their children throughout.

Unfortunately, our school kitchen dishwasher blew up on Friday and so the children had to have their lunches presented in takeaway containers. We are hoping that the engineer, who is booked for today, is able to fix it so that the children can get back to using plates! Please bare with us whilst we sort out the problem.

Can I please request that as many as parents & carers, visit 'Ofsted Parent View', and fill out their questions. Click on the link: <https://parentview.ofsted.gov.uk/> this will help promote the school, when prospective parents are looking and will also help Ofsted, when they come in.

The summer fair is fast approaching, so if there is anyone who can help, please leave your name at the office and I will set up a meeting, hopefully before half term. All help is received with thanks.

I am happy to say that we have teamed up with Magic Breakfast, so all those who completed the online questionnaire and requested bagels will soon have the opportunity to receive them for free. Thank you to Wandsworth Borough Council who are helping to fund this, so our children can benefit. If you did not fill in the questionnaire to request bagels, but would like to receive them, then please leave your name and child's details at the office. You will not receive them at the start, but we will make sure that you are added to future orders.

Have a fantastic week.

Kind regards,

Lynn Anderson

Messages from the Office Team

It has been noted that there are a number of children whose attendance has dropped significantly. Can we please remind all parents /carers that it is important that children are in school every day and on time! Many thanks.
