A message from our Headteacher

What a wonderful week it has been at RCFS! There has been a real buzz around school, from engaging learning in the classroom to the start of Forest School and our fantastic Thursday clubs. It has also been lovely to see our pupils visiting Sparkle, spending time with our Grandfriends and putting our school values into action in such a meaningful way. It is wonderful to see so much happening across our school and we are grateful for the continued support of our families. We have lots more to look forward to next week!

Forest School

Exploring, Learning, Growing

Our Forest School sessions have started this week with lots of excitement! The children have been exploring our beautiful forest environment, spotting seasonal changes, learning the names of trees, and discovering the amazing wildlife around us. They have been asking excellent questions, using their curiosity and working together brilliantly.

Forest School helps build confidence, independence and a real love for nature - what a fantastic start!
